

SAVE THE LAND!

The Colchester Land Trust is an all volunteer federal 501(c)3 non-profit organization (ID# 01-0622538), committed to keeping the rural character of Eastern Connecticut through land preservation, sound management practices and community education. The Trust relies solely on grants, donations and fundraising for its efforts. To date, they have helped preserve over 300 acres in Colchester, and continue to pursue more and larger projects.

The 8th Annual Fine Art of Living Online Wine and Art Auction

This auction has raised over \$35,000 to date. Wine has been donated by private individuals, vineyards, distributors and liquor store owners throughout Connecticut. If everyone gives a little, we can accomplish a lot.

It is our sincere hope that you will support the Colchester Land Trust by donating to the auction this year. The auction is online for the entire month of April, and last year we had well over 1,000 visitors to the site during that month. Please consider supporting this worthwhile cause that really benefits your customers at a local level.

All wines must be received by March 13th, this signed form noting your donation is your receipt.

Thank you so much,

Colchester Land Trust Member
